Sunday April 17 and 24, 2022

A special day offering of Disciples Mission Fund

supporting general ministries of the
Christian Church (Disciples of Christ)

The church Board at their March meeting began the important conversation regarding our buildings and what necessary repair projects we need to undertake in order to maintain their integrity as they continue to age. Over the last few months the Property Department led by Bob Barnes has been busy zeroing in on the projects that most need to be completed.

The top three priorities at this point are replacing windows that are leaking, a new roof on the education building and updating the library.

There will be a special board meeting on Tuesday April 5th at 7 pm to continue the conversation and hopefully make some decisions on how we want to proceed. All are welcome to attend.

Kim Gordon, Board Chair.

Thank you to Kevin and Sarah Darr for the more than 1500 bottles of Gatorade and Propel that they donated to the food pantry in February and March.

Neal Heckman

Thank you for your prayers, care notes, and concern during this time of need, for God's grace, presence, and strength. Thank you for supporting Kimberlee as she travels to be with me at this time. Her presence here with me is greatly needed and appreciated. We can feel your light and loving hearts and arms around us, as we continue to go through this process.

Sheila Stebbins and Kimberlee Towner

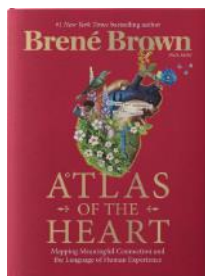

We have been invited to attend an Anti- Racism Training by Zoom with Saint Andrew Christian Church, (DOC). Linda Sutton and Kim Gordon have both done this study and they highly recommend it for anyone interested in learning more about racism and racial healing.
